ANSWERS SUMMARY FORM**

<b>RFP TITLE:</b>	<b>WIN: 025487.00 Leeman Highway (Route 1) Sidewalks</b>
<b>RFP COORDINATOR:</b>	Lee Leiner, Public Works Director
<b>QUESTIONS &amp; CLARIFICATIONS DUE DATE:</b>	October 8, 2021
<b>ANSWERS POSTED:</b>	October 8, 2021
<b>PROPOSAL DUE DATE:</b>	October 22, 2021

**Provided below are submitted written questions/clarifications received and Municipality's answers regarding the above referenced RFP.**

<b>Question #</b>	<b>Question</b>	<b>Answer</b>
<b>1</b>	The RFP appears to be silent on the deliverable requirements. Do you require any hard copy submittals of the technical proposal or is an electronic PDF deliverable acceptable? If hard copies are required, how many hard copies are needed?	Submittals should be made via PDF files sent to: <a href="mailto:lleiner@cityofbath.com">lleiner@cityofbath.com</a>
<b>2</b>	Is pedestrian lighting required as part of this project or is it intended that roadway lighting (existing and new) will be sufficient for this sidewalk project?	Lighting is not included in the design effort.
<b>3</b>	The RFP indicates that an Existing Conditions Plan with existing right-of-way will be provided by MaineDOT, what form will this information be provided, in MicroStation format or an image and will the right-of-way information be current?	The Existing Conditions Plan will be supplied in MicroStation format. Right of way information will be the latest available at the time of the survey.
